
CS 346: Meeting Minutes

Date: February 7, 2024

Team: Team 14

Present: Brian, Eric, Mario, Max

Absent:

Agenda

What do we wish to discuss?

We will make sure everyone has the proper Android Studio downloaded.

We will divide the work for the first demo.

Notes

Comments, ideas, details.

Everyone has Android Studio installed and working. The template is set.

Decisions

What was the outcome of the discussion?

We discussed what tools we would like to use. We will create a doc to split the work.

Actions

What needs to be done?

Identify specific actions that need to be performed.

Assign these to team members as tasks (with deadlines).

Eric will cover the mocked group page + navigation from groups page.

Eric will cover the mocked log activity page + navigation from nav bar.

Eric will cover the working nav bar if possible.

Brian will cover the mocked progress page + navigation from nav bar.

Brian will cover the mocked create group page + navigation from nav bar.

Mario + Max will cover the working signup functionality.

Mario + Max will cover the working login / logout pages and functionality.
