
CS 346: Meeting Minutes

Date: February 12, 2024

Team: Team 14

Present: Brian, Eric, Mario, Max

Absent:

Agenda

What do we wish to discuss?

We wish to discuss the UI of our app to see if we can follow our Lo-Fi design

Notes

Comments, ideas, details.

Everyone is now able to get the app working from GitLab. This issue has been resolved.

Decisions

What was the outcome of the discussion?

We discussed what we would like to show for Demo 1. We now have our ideas set

Actions

What needs to be done?

Identify specific actions that need to be performed.

Assign these to team members as tasks (with deadlines).

There are some UI pages we still need.

This is mainly the login and signup pages, and create group page.

Also, check if possible to connect to Firebase.

The create group page is assigned to Max.

The login / signup and Firebase connection is assigned to Mario.
